The members of the Corporate Governance of MAZIX Solutions have more than 35 years of business experience. Being set up with ideas of innovation and technology, MAZIX Solutions has made a successful transition from being a large private business label to a profitable business brand.

The success of MAZIX Solutions has been built largely on its unparalleled ability to research, innovate and deploy Kitchen, Wardrobe and Hardware Solutions for every need in the Indian Market. Due to its main focus on Quality Control, the brand is essentially accepted across India by Consumers and Traders alike.

MAZIX Solutions plans to be Socially responsible and an Environment Friendly Hardware Company. It is majorly focused on Technology that minimizes the harm to the environment. It has a wide range of accessories spread across the spectrum of Kitchen Hardware and Wardrobe components.

MAZIX Solutions continues to push boundaries to achieve and develop better solutions across the range of Home Decoration and living.
